### Scholarships for 8th Graders

There was a discussion about protocol for choosing scholarship recipients. Questions arose such as whether or not to give scholarships, if so, how much should be given, and to how many students? How to decide who gets the awards vs. giving an equal gift to all students? Should the amount be related to how many years a student has attended Holy Trinity? No decision was made. A vote will be held at the next meeting on March 4th to decide how this year's scholarship protocol will be handled.
