Dear Parents,

As always it will be nice to meet with parents at conferences later this week.

When needing to contact school families for delays, closings or any other type of emergency we will be using a system for all calls and emails called School Messenger. School Messenger pulls all data from Ascend SMS, our record keeping/grade book software. Please make sure that you have your profile in Ascend edited as you want it to be. Pay close attention to phone numbers marked with a red asterisk because these are the numbers pulled into School Messenger and called when an all call is placed.

Holy Trinity students will be beginning two service projects over the upcoming weeks. Students at the junior high will be working to fill a Christmas Dinner Bag for the Holy Spirit Parish Outreach Center. Elementary school students will be making donations of hand, feet, or body warmers to the Hosea House and collecting bags of candy to be donated to the St. Bernard Pantry. Please see information in this week's blue folders.

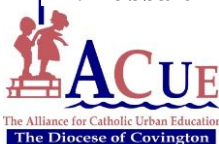

Safety is always our highest concern and it has been brought to my attention that some parents are dropping students off in the middle of the street on Washington Avenue at the **junior high** in the mornings. Please do not stop in the middle of the street to drop your child off. If you are dropping your child off on Washington in the morning, please pull over to the curb in the south bound lane and let the children off at the sidewalk. If you cannot do this, please pull into the parking lot and drop your child off at the double glass doors. When dropping students off at the **elementary in the mornings please do not pull into the small lot**. It is dangerous when students are walking through that lot to get into the school building.
