Dear Parents,

After a four day week last week, it is time to resume our school schedule. Please help us get students back into their normal school routine by making sure they have time in the evening to complete homework, get to bed early so they are well rested for the school day, and have something for breakfast to start their day on a positive note.

I am happy to announce that registration for the 2017-2018 school year begins now! This year all registrations will be **online**. Go to the school website (www.holytrinity-school.org) to find the registration module.

Please complete the online registration as soon as possible. Because concrete registration numbers are so important, we have instituted a late registration fee of \$25.00 per student registered after February 28, 2017 for returning families. Planning for a successful 2017-2018 school year begins now, thank you in advance for your assistance.

Anyone interested in a Holy Trinity yard sign to promote registration please contact one of our school offices to make arrangements to pick one up.

You will also find a schedule for **Catholic Schools Week** in this week's folder. This year's theme is: *Communities of Faith, Knowledge and Service*. As a part of the week's celebration we will be hosting an Open House at both campuses on February 2nd from 7-8pm. Please look at the schedule for all of the other activities planned throughout the week. Thank you to the Parents Club for their work to make Catholic Schools Week a special time in the school year.
