February 6, 2017

Dear Parents,

As we enter the second week of February we have reached the mid-way point in the third quarter. Please continue to encourage your children to keep working hard throughout the last quarter and a half of this school year. If you are having difficulty logging onto Ascend to view your child's grades, please contact one of our offices.

Please register online as soon as possible. Because concrete registration numbers are so important, we have instituted a late registration fee of \$25.00 per student registered after February 28, 2017 for returning families. Please go to our school website and re-enroll for the 2017-2018 school year. Planning for a successful 2017-2018 school year begins now, thank you in advance for your assistance.
