Dear Parents,

With the second week of school complete students and teachers are fully getting back into the rhythm of the school year.

Thank you to those who sent in **the packet containing the beginning of the year paperwork**. We only have a few that need to send this paper work in tomorrow. It is very important we have this information and remember to let us know if anything changes throughout the school year.

**The Parents' Club** will have a meeting on Thursday, **September 6** starting at 7:00 in the elementary cafeteria. Please come and support our Parents' Club.

In support of the DPAA annual appeal, which is where we receive funding for our school counselor, we will be having an **out of uniform day on August 30 for \$1.00**.

Thank you to everyone who has volunteered to help out at school. Please make sure that you have completed all of the steps in **VIRTUS training** and are up to date on reading your monthly bulletins. **August is open for any make up bulletins, if you are behind**. If you have any questions or would like a VIRTUS registration packet, please call Mrs. Meyer at the junior high.

Starting this week, we ask that elementary school parents please drop your children off at the glass entry doors and for safety reasons do not pull into the small parking lot. Please allow students to walk into their classroom by themselves. If you would like to meet with your child's teacher, please call school and they will gladly set up a time to meet with you before or after school. *Do not walk into the school without checking in at the office.*

#### **BUS RIDERS**

Please refer to your Parent/Student Handbook as to the procedures of riding the bus. The offices are receiving too many calls and emails in regards to your child not getting on the bus or getting on the bus. **If you have signed your child up to ride the bus, they will be put on the bus unless you send a note to their homeroom teacher stating they are not getting on that day**. Please understand that the end of the day is a busy time for the office, teachers and students and the TANK bus has a schedule to keep, so we have to be able to have all the students signed up for the bus ready to go and not trying to figure out who isn't getting on the bus.

Sincerely,

Mr. Hubbard  
Principal
