Dear Parents,

As always it will be nice to meet with parents at conferences later this week.

Safety is always our highest concern and it has been brought to my attention that some parents are dropping students off in the middle of the street on Washington Avenue at the **junior high** in the mornings. Please do not stop in the middle of the street to drop your child off. If you are dropping your child off on Washington in the morning, please pull over to the curb in the south bound lane and let the children off at the sidewalk. If you cannot do this, please pull into the parking lot and drop your child off at the double glass doors. When dropping students off at the **elementary in the mornings please do not pull into the small lot**. It is dangerous when students are walking through that lot to get into the school building.

#### Up Coming Events
